Dear Friends:

On September 21, 1974, *The Fort Lauderdale Chapter~ The Links, Incorporated* was chartered. For 36 years, our chapter has improved the lives of others in Broward County. We advocate education, health awareness, and support for the Performing Arts. The goal of The National Links Foundation Incorporated as a 501 (c) 3 not for profit organization is to make a difference in the community.

Nationally, The Links, Incorporated has been recognized as a leading not-for-profit service organization of more than 12,000 women committed to enhance the quality of life in their respective communities. Established in 1945, we provide programs and services through four National Program Facets which are; National Trends and Services, International Trends and Services, Services to Youth and The Arts. We aid in encouraging organ, tissue and bone marrow donations and we provide guidance to adolescent teens, and foster care students. Also, we work to improve the lives of people throughout the United States and the International Community.

Locally, The Fort Lauderdale Chapter~ The Links, Incorporated has been engaged in many community service projects over the years. Some community initiatives and involvements are: "White Rose Honorees", annual signature program honoring high school seniors for academic achievement, leadership and community service, sponsorship of *Kid's Vote Broward*, Voter Education Project, participation in American Cancer Society's *Relay for Life Program*, sponsor a Walk-A-Thon in collaboration with Sickle Cell Disease Association, participation in *HIV/AIDS* workshops, supports the Multiple Sclerosis Society and Community Partners and Supporters of the Old Dillard Museum, African American Research Library and Cultural Center, Coral Spring Music of Arts Initiative and Dillard Center for the Performing Arts School musicians.

We invite you to join and share in celebrating our **37th Annual Anniversary Luncheon – Legacy of Excellence: "Making a Difference"** on September 17, 2011. This luncheon will be most memorable as we give honor to our organization and recognition to our generous supporters. We are most proud of our accomplishments and are eager to continue our legacy of giving.

Sincerely,

Carol Jackson Curry
